**Lexicomp Drug Interactions**

Lexicomp Drug Interaction Analysis is now available through the College library’s e-Therapeutics+ subscription. A quick and easy way to check for known interactions between drugs, Lexicomp also contains information about interactions with some herbs and foods. The interaction checker is better than ever with the new ability to include patients' allergies in the search.

To access the drug interaction checker, go to the library website: http://www.cpsbc.ca/library, and click on Point of Care. Under the Drug Tools section, click on Lexicomp.

Login is required.
