Name and Address:

Please CIRCLE to indicate how you want to receive your articles:
MAIL EMAIL

Email:

LIBRARY FAX: 604-737-8582

BOLD TYPEFACE means an article is available full text online through our website (login may be required): www.cpsbc.ca/library

Fax by request only

Due to the non-urgent nature of most Cites & Bytes article requests, fax will no longer be listed as a standard delivery option. We encourage you to choose mail (including meditrans where available) or email. On occasions when you need an article faxed on a rush basis, we are happy to accommodate special requests.

Practice Guidelines

The ABCs of 1,2,3s...

Cites & Bytes is produced each month to help our users keep up to date with new developments in medicine. Articles are selected from authoritative, peer-reviewed journals on topics of current interest. Though selection is based on source and currency, special consideration is given to articles in the news, those of regional or local interest, and those appropriate to the season. Please note that the articles included in each issue are for your information and are not to be considered College policy.
