

2018 Education Day and Annual General Meeting

#RealityCheckup: addressing confounding societal issues that undermine people's health and the care they receive

Friday, September 14, 2018

*Vancouver Convention Centre
(West)*

With guidance and insight from experienced, engaging experts, this year's theme aims to address a selection of complex topics, from the importance of cultural humility to combating anti-science myths. Join colleagues to explore these and other confounding issues facing physicians today.

The program includes plenary sessions, case studies and interactive workshops for an all-encompassing educational experience and an opportunity for deep reflection on these ongoing challenges.
