Discipline Committee Hearing Notifications

For purposes of notification to the public of a Discipline Committee hearing, such notice shall be posted on the College's website.

Hearing notifications will include

- the full name of the registrant and their location(s) of practice,
- a summary of the citation, and
- the date, time and location of the hearing.

Hearing notifications will not include identifiers of the complainant and any other third parties.

The notification will be placed on the College's website once the hearing date is confirmed by the discipline hearing panel.
