

DRAFT BYLAWS OVERVIEW

Professional Responsibilities

Under the new bylaws related to professional responsibilities of licensees:

- All ethics and practice standards have become bylaws.
- The registrar must maintain a record of all published versions of ethics and practice standards established under the *HPOA*.
- It is explicitly stated that licensees must comply with the Canadian Medical Association's *Code of Ethics and Professionalism*.

The full part of the draft bylaws is available on the [CPSBC website](https://cpsbc.ca).
