Exam Preparation Resources

The exam preparation web page (www.cpsbc.ca/library/exam-preparation) provides online resources to provisional and clinical observer registrants preparing for the qualifying or certification examinations of the Medical Council of Canada, the College of Family Physicians of Canada, or the Royal College of Physicians and Surgeons of Canada.

Canada QBank

A database of questions, answers, and clinical decision-making cases to assist in preparation for the Medical Council of Canada evaluating and qualifying examinations. Click on Canada QBank on the exam preparation web page and log in with your CPSID and password. Once on their site, if you do not already have a unique Canada QBank account, you will need to create one to access their resources.

Ebooks

Search the library catalogue (szasz.cpsbc.ca) for ebooks available in our collection. Highlighting the ebook radio button above the catalogue search box limits retrieval to ebooks held by the library. Below is a selective ebook subject list of exam review questions and textbooks available in the library collection.

Anatomy – textbooks

Anesthesia – exam review questions
