IV and Medication Preparation Equipment

- IV tubing (2 sets)
- Normal saline 500 ml (2)
- D5W 250 ml (1)
- Minibags 50 cc and 100 cc
- Tourniquet
- Alcohol swabs
- IV cannula sizes 18-22G (2 of each size)
- Small transparent dressings
- 2x2 gauze
- Tape
- Razors (2)
- Medication labels
- NS 10 ml vials (5)
- Syringes 10 ml (4)
- Syringes 3 ml with needle (3)
- Needles (various sizes)
### Additional Supplies

- BP equipment
- Pulse oximeter
- Glucometer (readily available in facility)
- Sterile gloves
- Scissors
- Pen light
- Sharps container
