Race and Health Equity: Resources for Informed Practice

Contents

If a resource belongs to more than one category, then it is listed in all relevant categories:

- [Health equity and social justice](#)
- [Race and racism resources](#)
- [Indigenous resources](#)
- [Clinical resources](#)

Feedback and suggestions

We have attempted to select respectful content that reflects current mores and needs. However, the list is not comprehensive nor flawless. We welcome feedback and suggestions. Please contact us at medlib@cpsbc.ca.

Accessing resources

The links for library-owned materials in this document lead to the library catalogue. College registrants can access ebooks directly from the catalogue page or request print books by calling or emailing the library or filling out the [Library General Requests](#) form.

Resources

For each resource listed below, electronic and Canadian resources are indicated in the respective columns.

Electronic resources are ebooks, websites, online documents, and online journals and articles.

Canadian resources are produced by Canadian authors, institutions, or publishers or include notable amounts of Canadian-focused content.
