

[Search Library Materials \[1\]](#)

The library purchases a wide range of resources and services for physicians in British Columbia to provide the tools for evidence-based practice.

Not sure where to start?

- Check out the main page of the library to use the [Search the Library \[2\]](#) box to search the majority of the library's collection.

Looking for books and journals held by the library?

- Search the [Books and Journals \[3\]](#) page for the holdings in our catalogue and the journals to which we have a subscription.

Looking for subject specific databases of articles?

- Search the [Databases \[4\]](#) page where the popular databases Medline, CINAHL, PsycINFO, etc. can be found.

Looking for decision making tools?

- Search the [Point of Care and Drug Tools \[5\]](#) page where point of care tools can be found.

Clinical Observers and Provisionals looking for Canada QBank?

- Select Canada QBank on the [Exam Preparation \[6\]](#) page.
