

College of Physicians and
Surgeons of British Columbia
Serving the public by regulating physicians and surgeons

[Committees \[1\]](#)

The Board of the College establishes standing committees made up of board members and other professionals who review issues, and provide guidance and direction to the Board and the College's staff, ensuring a well-balanced and equitable approach to medical self-regulation.

Committees of the Board are comprised of members who reflect the importance of diversity, gender equality, varied professional experience, and qualification. View the matrix of attributes expected of members of each committee [here](#) [2].
