

NHMSFP
Update

[New updated guidelines \[1\]](#)

The NHMSFP Committee is pleased to announce the updated *Obesity* guideline and a new *ASA Physical Status Classification* guideline.

A guideline reflects a recommended course of action established based on the values, principles and duties of the medical profession. Physicians may exercise reasonable discretion in their decision-making based on the guidance provided.

Guidelines and other NHMSFP accreditation standards are available [here](#) [2].
